

Pharaoh's Lament - by Khepri & Julia Black

If you fall,
I will shield your pain,
When you crawl,
I will lift you again,

You will live once more,
You'll rise again,
And regain,
All that you were,
That you've been,
You will be,

If you cannot see,
I will be your vision,
When you're not mine,
I'll still think of you,
